I think just the protected material (once I look through what's in there, I'll let you know if there's something else that I need from the earlier items).

Thanks,

Hey Brian,

I ended up resetting my USAfx account password, and it appears to have solved the issue. Would your office be able to send me a link to access/view the Lu discovery materials again?

Thanks,

Hey Brian,

Just checking to see if you heard anything from Eaton regarding the remaining discovery items that they were going to redact and upload. Feel free to shoot me an email or give me a call on cell to discuss at your convenience.

Thanks,
